

District Manager / Operator
Grand Water & Sewer Service Agency
Moab, Utah

GWSSA has an immediate opening for District Manger / Operator. The District is located in the Canyonlands / Arches region of SE Utah, a mecca for outdoor recreation. The position reports to a multi-district Board and is responsible for all aspects of operation and maintenance. The District operates a 1600 connection ground water and wastewater collection system, 2600 AF reservoir, and pressurized irrigation system. The successful candidate must have experience with the budget process, personnel administration, compliance with State and Federal Regulations, operation of ground water distribution and wastewater collection systems, SCADA controlled instrumentation, and infrastructure installation. Appropriate Utah State certification required within six months of hire. Salary range 55 to 62K, generous benefits package, additional consideration and compensation given for P.E. with hands on experience. Open until filled. Send resume to GWSSA, Attention Dan Pyatt, PO Box 1046 Moab UT 84532
